The guitar has a Fishman pickup system.

Marco Pereira brings his own DPA mic.

Two cables will be needed:

- 01 Canon Cable to connect the mic to the soundboard
- 01 Regular Cable to connect the guitar to the soundboard + DI

Soundboard

- 08 tracks Soundcraft - minimum
- 02 speakers Bose 302 – or similar
- 02 speakers Bose 802 – or similar
- 01 amplifier Carver – or similar
- Reverb

Very important!!! The chair must be 45cm high and flat, not anatomic
